

I apologize again for the 11th hour schedule. The final assignment of Oblate priests is not finished so we will have to be flexible when a visiting priest celebrates Mass. We think Fr. Pochetto will be here on July 10 and/or 17 but do not know the time of his Mass. I will send an updated schedule when I know everything.

All EM's who are assigned to a Mass with an Oblate should come to the altar and receive communion as usual. If too many EMs are at the altar, receive communion, but one person will voluntarily go back to their seat when the patens are handed out.
